

OFFENSIVE FORMATION
NUMBERING SYSTEM

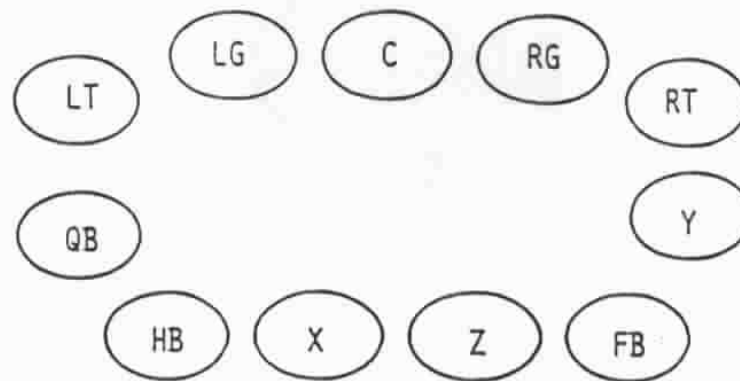

Running Backs' Alignment - Split inside leg of offensive tackles. Heels are at 5 yards.
Line Splits - Center - Guard split is 2 feet. Guard - tackle split is 2 feet. Tackle
tight end split is 2-3 feet.
Flanker and X Alignment - 8 to 12 yards.

THE HUDDLE PROCEDURE

THE HUDDLE

*Ball

FORMING AND BREAKING THE HUDDLE:

1. Center always sets up huddle eight yards from ball. Set up quickly.
2. Huddle is oval type with QB's left side to LOS.
3. Line up quickly with hands on knees in position to see and hear the quarterback.
4. Quarterback has complete control of huddle.
5. You will receive the following information in the huddle:
 - A. Formation (motion possible)
 - B. Play
 - C. Blocking (possible)
 - D. Pass pattern (possible)
 - E. Snap number
6. When you do not hear what is said, call check.
7. "Ready-Break" is the signal to leave the huddle - clap hands - linemen turn to outside and go to LOS quickly.
8. The huddle reflects the attitude of each man and the team - keep huddle sharp.
9. Quarterback - Do not call "Ready-Break" until the receivers have left the huddle.

IN THE HUDDLE.....

QB does all the talking.

QB will give the following information:

1. Formation (i.e. Red, Brown, Green, Blue, etc.)
2. Formation Adjustments (i.e. Tight, Close, Y Deep, etc.)
3. Motions or Shifts (i.e. "Z" Right, "C" Left, Y Motion, etc.)
4. Play Number (i.e. 65, 20, 98, etc.)
5. Play Terms (i.e. Power, X Hook, etc.)
6. Snap Count (i.e. On two, On set, On first sound, etc.)
7. Ready-Break

Here's How it Sounds....

1. Red Right Slot, 24 Double Square Out, On set - Ready-Break.
2. Brown Left Slot, "Z" Left, 64, On one - Ready-Break.
3. Double Wing Right, 78 X Hook, On first sound - Ready-Break.

Note: Ball may be snapped on any of the following snap counts:

- A. 1st sound
- B. Set
- C. One (1st "Hut")
- D. Two (2nd "Hut")
- E. Three (3rd "Hut" - QB will try to draw the defense off sides)

AT THE LINE OF SCRIMMAGE (L.O.S.)....

1. QB calls color and number to each side
2. QB calls defensive front
3. QB pauses and completes snap count as follows: "Set" (pause)
"Hut" - "Hut" "Hut"
4. When QB calls the snap count on three (3), he will try to draw the defense offside on the 2nd "Hut" by accenting the count - pauses - and then calls the third "Hut." The team is alert for the "staggered count" every time the QB calls the play "On Three (3)"
5. Audibles may be called regardless of the snap count. If the count is "1st Sound," the QB audibles before he puts his hands under the center - the snap count then changes.

Here's How it Sounds.....

1. On 1st Sound -
"Pro" (ball is snapped on 1st thing QB shouts)
2. On Set -
"Color - Number - Color - Number - 43 - Set"
3. On One -
"Color - Number - Color - Number - 34 - Set - Hut"
4. On Two -
"Color - Number - Color - Number - 25 - Set - Hut - Hut"
5. On Three -
"Color - Number - Color - Number - 53 - Set - Hut - Hut -----
----- Hut"

AUDIBLE AT THE L.O.S.....

1. A change of play at the LOS may come at any time. If the center does not feel pressure, he does not snap the ball.
2. Team aligns at LOS in three point stance.
3. If QB wants to change the play called in the huddle, he calls the live color and the audible number. He pauses and repeats color and number again. QB pauses and continues the normal snap count.
4. All audibles will go on a predetermined count (set).
6. If no audible is needed as in two minute offense, no color and audible number are called. QB simply comes to LOS and begins the cadence by calling the defensive front. The QB will inform the team that he is in a "No dummy audible" mode though he may still call a live audible if needed.

Here's How it Sounds....

(Assume Red is the live color)

(QB at LOS, but hands not under center)

(Team in three point stance)

1. QB Audible at LOS: (on Set)
Red 78 (pause) Red 78 (pause) 43 (pause) Set.
2. QB Dummy Audible at LOS: (on One)
White 50 (pause) White 50 (pause) 34 (pause) Set (pause) Hut.
3. QB not using the audible at LOS: (on Three)
53 (pause) Set (pause) Hut-Hut-----Hut.
4. QB not using audible at LOS: (on 1st Sound)
"Pro" (ball is snapped on 1st thing QB shouts).
